- Automation & CRM Setup

## Certifications

Website Development –  
Newton Academy (July  
2025)

GoHighLevel Specialist  
| Automation Expert |  
Kajabi Strategist

I am a creative and results-driven Web Designer & Developer with expertise in GoHighLevel, Kajabi, Systeme.io, and ClickFunnels. I specialize in designing high-converting websites, building automation systems, and crafting sales

funnels that help businesses scale. By combining design with strategy, I create digital solutions that drive growth, save time, and deliver measurable results.

## Professional Experience

### Freelance Web Designer & Funnel Developer

Jan 2022 – Present

- Designed and developed responsive websites tailored to client needs.
- Built GoHighLevel funnels, Kajabi membership sites, and landing pages to increase conversions.
- Implemented automation workflows saving clients hours weekly.
- Collaborated with coaches, entrepreneurs, and small businesses to grow their online presence.

## Education

### B.Sc. Geology

University Graduate – Applied problem-solving, research, and analytical skills.

## Projects & Portfolio

- Designed a Kajabi membership platform for an online coaching program.
- Developed a GoHighLevel automation funnel, increasing lead conversion by 35%.
- Created responsive business websites showcasing brand identity and boosting online credibility.
